

GROW UTAH VENTURES & ZIONS BANK

**\$35,000**

**REWARD**

**Enter your Innovation for Responsible Energy Production and Compete to Win up to \$35,000 in Cash & Services!**

#### CONTEST OVERVIEW

This innovation contest is focused on encouraging and expanding Utah's environmentally responsible energy production industry. The contest is open to all Utah-based entrepreneurs or small businesses. The winning entry will receive up to \$35,000 comprised of cash and services. Additionally, two runner-up winners will each receive up to \$17,000 in cash and services. A panel of industry leaders will judge the final entries.

#### GENERAL RULES

1. Innovations must focus on a mechanical or procedural product or service to optimize and enhance environmentally responsible energy production.
2. Open to individual inventors or innovative small businesses with less than \$5 million in annual revenues and for a product they have not yet taken to market.
3. Applicants must reside or be based in Utah..
